How many times have you heard the phrase, 'Sorry I forgot' or 'I can't remember'? I am sure we have all used these words from time to time. Sadly, as we grow older, memory does play tricks on us. We can clearly remember incidents from our schooldays, and yet struggle to remember what happened last week. Does this sound familiar?

This month is the time of year when we are asked to remember. Not what happened last week but what happened a long time ago when Remembrance Day came into being after the Great War of 1914-1918. As we recall the world's sacrifice and loss, the nation sets aside a special day. Armistice Day, the 11th hour of the 11th day of the 11th month.

Subsequent wars have followed since the "war to end all wars" finished in 1918. Twenty years on and the world was again embroiled in global conflict. Subsequent wars followed, some minor, some major, but all tragic events of sacrifice and loss. Our thoughts at this time are with those who have been killed and maimed in the present operations in Afghanistan involving our armed forces. This touches us all; especially the families who have lost loved ones in the past year in the conflict in Afghanistan.

This year Remembrance Day falls on a Sunday; our churches, cenotaphs and village memorials will be thronged with those who will gather to remember all who gave their lives in the service of their country. We will sing together, pray together and remember together. Take a few moments to read Ecclesiastes Chapter 8 Verses 1 -8. Everything has its time.

May I leave you with this thought; Remember the Past..... Live the Present..... Look to the Future.

Bob Young LLM, Our Licensed Lay Minister

## EDITOR'S NOTES

### A Farewell To Derek

By the time you read this, Derek Cook, who has served this area by his distribution of newspapers to our homes for many years, will have retired. The business is to be taken over by Rachel and Simon Bartlett, trading as SMC News, 338 Welcombe Avenue, Swindon SN3 2PB (01793 320542 or 01380 840724, the existing telephone). The conditions of delivery and payment will for the time being remain the same. Details will doubtless be sent to all customers when the new owners take over.

Our best wishes to Derek on his retirement and our gratitude for his unfailing service. It is hoped that the admirable people who have served us so well in braving all conditions to deliver to our homes will continue under the new regime.

### Remember December

Regular contributors are reminded that reports etc. in the December issue should also cover the month of January. Even printers have a Christmas/New Year break, not mention those who deliver *News and Views* to your door.

## WEST LAVINGTON YOUTH CLUB

The end of September saw our 24 hour camping session. The day started early for Adam and me erecting the main tent and gazebo in Sue and Rob's paddock ready for the arrival of the Youth Club members. The event included fun and games, BBQ lunch, dinner and next morning breakfast. One of the real highlights was a demonstration of aluminium casting by Toby Robson, with plenty of sparks from the furnace. Toby showed the members how to create the moulds and each member was able produce their own memento to take home.

They all had a great time and comments were heard 'I want to stay here for ever!' and 'Can we do it again next week'. Thanks to Holly and Adam for giving up so much of their weekend, and of course to Sue & Rob for the use of their paddock; and they said we could go again!

We are all now looking forward to the Ghost Walk in Devizes, and the younger members 12 hour Halloween sleep over! ALL VERY SCARY!!!! We will report on these in the December issue,

Once again I would say if you are not yet a member you are missing out on some great experiences. Come and join in the fun at the Youth Club in West Lavington and Market Lavington.

**101 - POLICE NOTICE**

The 101 non-emergency number was launched in Wiltshire last September (2011) as part of the national roll-out.

Our 0845 408 7000 contact number has been running alongside this number with approximately 40% of calls still coming in via this route, however, 0845 408 7000 ceased operation on 30 September 2012.

**When should callers use 101?**

The 101 national number gives local communities an easy way to contact police - when it's less urgent than 999.

**In a non-emergency dial 101 if:**

- you want to report a crime/issue that does not require an immediate emergency response
- you or someone else are not in immediate danger
- you would like to speak to your local police officer
- you want to provide information about a crime

**It is important to reiterate that 999 is still the number when you want to contact the police in an emergency, such as:**

- you need an immediate response because a crime is in progress or you think it is
- you or someone else is injured or there is a threat to life
- a serious road traffic collision has taken place
- violence is being used or threatened

**How does 101 work?**

101 will be available 24 hours a day, 7 days a week. When someone calls 101, they will hear a recorded message announcing that they are being connected to their local police force. The system will determine the caller's location and connect them to the relevant police force.

If a caller is on a boundary between two or more forces, the recorded message will give them a choice of which force to be connected to.

After a pause of approximately four seconds, the message will also give the caller the option to select an alternative police force of their choice via an operator.

**What will happen to the current 0845 408 7000 number?**

The 0845 number ceased on 30 September 2012. A recorded message asks people to re-dial 101.

**Can people who are deaf, hard of hearing or speech impaired, use 101?**

People who are deaf, hard of hearing or speech impaired can text-phone 18001 101. In an emergency, you can text 80999 from any phone.

**Is it more expensive for the public to contact the police on 101?**

Individual telephony companies currently decide on the cost of dialling an 0845 number so it depends on the contract/supplier opted for.

With 101 it has been nationally agreed that a flat rate of 15p will be charged whether a member of the public is calling from a landline or mobile, irrespective of how long their call lasts.

## VILLAGE CARE AND LINK

New to the Village? Want to take part in community life?

A good way to contribute to the community is by joining Village Care and Link as a volunteer driver, and/or as a driver co-ordinator.

All this involves is to agree to go on our driver's list and be called if we need a driver to take someone to, for example, Salisbury Hospital for an appointment.

If you can't drive that day, it doesn't matter; we simply go down the list and call another driver until we find one.

Drivers can claim 40p per mile expenses.

We need co-ordinators as well as drivers. These are the people who phone round to find a driver for an appointment.

Co-ordinators perform this role for one month, receiving calls from clients, and matching them with drivers. The telephone number is then transferred to the next co-ordinator for a month.

If you are interested, or would like more information, please call me on 818510 or email me on michaelpage007@btinternet.com

## A MESSAGE FROM RICHARD GAMBLE

Wiltshire Councillor for The Lavingtons & Erlestoke Division

If you are one of those people who feels the system is monstrous because "They never listen", then take heart. They do! They have!

You may recall that, about a year ago, the Boundary Commission proposed that The Lavingtons & Erlestoke Division should no longer be part of the Devizes constituency but should in future be represented in parliament by the MP for a new constituency to be called Warminster & Shaftesbury. Many of you, like me, thought that this proposal was monstrous. Together, we set about trying to persuade the Boundary Commission that their proposal was wrong, although you may be surprised at how many people told me the effort was hopeless.

The naysayers were wrong. On 15th October the Boundary Commission published their revised proposals. Their report says:

*In the case of the proposal to restore the ward of The Lavingtons and Erlestoke to the Devizes constituency, the support was in fact overwhelming, with all the parish councils in that ward (and others) writing in support, together with many members of the public, including a petition with 570 signatures.*

*The basis of the objections to the inclusion of the ward of The Lavingtons and Erlestoke in the proposed Warminster and Shaftesbury constituency, and of the proposal to restore it to Devizes, is neatly summed up in the letter from all seven parish councils within The Lavingtons and Erlestoke:*

*'The affiliations of our communities, currently and historically, are strongly with the town of Devizes, which is only 5 miles away on the A360, and with the general area of East Wiltshire. Our social links, transport links, communication links and all other matters, including daily shopping, local newspapers, local organisations, council organisations, etc., are in that direction. In contrast, we have no affiliation with the rest of the proposed constituency of Warminster & Shaftesbury, from which we are separated, and to a substantial extent cut off, by the vast and largely empty area of Salisbury Plain. The stated justification for the Warminster & Shaftesbury constituency in the Boundary Commission's narrative, which refers to "the strong established communications links between these two towns and the surrounding area, specifically the north-south transit route of the A350", (which route, incidentally, by-passes this area) is utterly untrue as far as The Lavingtons and Erlestoke is concerned.'*

*We agree with these comments and conclude that there are strong geographical, access and local ties reasons for leaving The Lavingtons and Erlestoke within the Devizes constituency. This would also reinstate the existing constituency boundary. We therefore have no hesitation in adopting this counterproposal.*

Thank you to the parish council chairmen who all signed the letter. Thank you to everyone who wrote to the Commission or who signed the petition.

Now, about that railway station .....

## WEST LAVINGTON PARISH COUNCIL

Although it has been such a disappointing summer, Roberts Playground has been well used and enjoyed. Unfortunately the wooden logs, structures and stepping stones have come to the end of their life and need replacing.

The Playground committee plan a day of work renovation and repair on Sunday 4th November from 10.30 a.m., weather permitting!! We would love to see any members of the village that feel they could lend a hand, even if it is just to bring some coffee and biscuits! The more people we have the more we can achieve. We would also like your ideas for future development of the playground, so parents, grandparents uncles and aunts, do join us and help to make Roberts Playground a real asset for the village. Do contact Annie Whyman on 813846 or just turn up on the 4th. There are many areas of our village where it would be good to pause and admire the beautiful views; if anyone feels they would like to donate a bench, perhaps in memory of a loved one, then please do contact our clerk on [clerkpc@sky.com](mailto:clerkpc@sky.com)

## CHEVERELL MAGNA PARISH COUNCIL

**HGV Decision:** Wiltshire Council has now made a definite decision on the over-height signing for HGVs at Devizes and it's in our favour.

1. The over-height signs directing HGVs to the A342 will remain.
  2. More general HGV issues in Great Cheverell will be the subject of further study.
- This decision is an important step in the right direction and we are very grateful to all who wrote to Wiltshire Council in support of our case. 93 out of the 116 responses (80%) directly or indirectly supported the Cheverell case. The Parish Council will continue to campaign to reduce HGV traffic on the C40 through Great Cheverell. Thank you for your fantastic support so far!

**Appeal to Dog Owners:** We are still receiving reports of incidents of dog fouling in the village, especially in Green Lane and Paddy's Lane. Please be aware that "The Fouling of Land by Dogs" (Wiltshire Council Order 2012) states that it is an offence if a dog defecates at any time on land to which the Order applies and it also points out that if the owner is unaware of the defecation, or does not have a suitable means to remove the faeces, it is not considered to be a reasonable excuse for failing to remove faeces and the owner will be fined if caught doing so. Many people each year – mainly children – develop eye diseases caught by swallowing the Toxocara egg. This is caused by the parasitic roundworm in dog faeces. There is evidence that dogs also carry e coli and hepatitis in their faeces. Please, therefore, do keep your dogs under control and clean up after them in order to protect our children and keep our beautiful village clean. Thank you.

**Neighbourhood Plan Update:** A Steering Group has been set up and will be seeking the views of parishioners in the near future.

## NEWS FROM HOLY TRINITY C OF E PRIMARY ACADEMY

Another busy and exciting term for the children at our school. The youngest children have had a trip to a'Beckett's vineyard where they picked apples, enjoyed the wonderful autumn weather and sat on a tractor. They came back to school and made apple crumble, apple cake and apple pies.

We aim to give our children a wide range of experiences at Holy Trinity and this term we have had a travelling theatre company come into school to perform *Oliver Twist*, we have had a presentation on modern, environmentally-friendly sailing ships, and we have had a solicitor and a barrister give a talk about their work in court.

Our Eisteddfod choir is preparing for its entry into the Devizes Eisteddfod on Saturday 17th November – we are very grateful to Ms Sharman and Mrs Edwards who have worked so hard to make sure that the children who were selected for this event enjoy the singing and perform to an exceptional standard.

We are fortunate that Dauntsey's school send a team of sports coaches to our school once a week to support our KS2 children's sport – each block of coaching culminates in a tournament between the participating schools which is a great experience for the children.

If you have a child who will turn 4 years old before September 2013, please

remember to complete an application for school for them before 15th January 2013 through the Wiltshire Council website [www.wiltshire.gov.uk](http://www.wiltshire.gov.uk) and follow the "Schools and Learning" tabs to the admissions document. You will need to name 3 schools, in order of preference, on this form. It is always best to put your most favoured school first, even if you suspect it may be oversubscribed, since the admission authorities do their best to give parents their first choice of school.

Many parents like to come and look around their local school, even if they are sure that this is the school they wish their child to attend. Other parents wish to look around several schools to choose the one that seems to match the needs of their child most closely. You might be looking for high academic standards, a loving and aspirational ethos, good behaviour, a clear zero-tolerance policy on bullying, and an engaging curriculum. You might also want to ask about the teaching of another language, the variety of clubs on offer, trips that children go on, music lessons, sport and homework. If you suspect that your child might need extra support with learning, you might ask about the Special Educational Needs provision at the school. Usually, you will know which school you prefer once you have walked around it and chatted to the headteacher or the appointed school guide.

If you are interested in looking around our school, do phone us to make an appointment on 01380 813 796. There is a lot of information about our school on our website at [www.holy-trinity.co.uk](http://www.holy-trinity.co.uk).

## LAVINGTON PRE-SCHOOL

We would like to take this opportunity to welcome 12 new families this term. We have been settling in all our children and we have been looking at our Golden Rules, re-introducing the children to our 'tidy-up time' music, PE, sitting quietly at circle time, song time and story time and most importantly having fun!!!

The children have been enjoying our new improved outside play area. Over the holidays we had some Perspex panelling erected along one of our fences, which the children have explored, creating some amazing large pictures. We have a new tarmac road track which the children can whizz along on our ride-ons. They also have both a new sand-pit and water tray to play in.

We have been talking about Autumn and the children have made a fantastic Autumn Display, making some finger printed hedgehogs, glittery leaves, colourful squirrels, finger printing and glittery birds and a scarecrow. We have also been looking at the story *Room on a Broom* and the children have drawn their own characters from the story, and these are now on display in the classroom. They have made their very own skeletons which have their own faces on them. This week they have decorated pumpkin pictures with their own finger prints.

Once again we are collecting the Morrison's LETS GROW Vouchers, so if you have any unwanted vouchers, please feel free to pop down and either post them through our letter box or hand them in to a member of staff.

We are always collecting any unwanted textiles – old clothes, blankets or shoes. So again if you have had a good spring clean and would like to find a good home for your unwanted items, please bring them down to pre-school and we will take them off your hands.

**For any further information, please contact Vici Knott,  
Pre-school Supervisor on: Telephone (07730) 285998**

## GREAT CHEVERELL PRE-SCHOOL AND NURSERY

If it's November it must be autumn leaves, muddy walks and quite a lot of wet clothes. It's all part of the pre-school season but, for each new batch of 2 and 3 year olds joining us, every puddle is a new experience and judging velocity, altitude and depth of puddle to ensure nobody remains dry is a skill best learnt by practice. Then there will be a lot of leaves to stick, cover with paint, dry until they crunch or make into collages. And the things we can do with conkers and hazel nuts would put a squirrel to shame.

If you think you might be missing out on some fun please contact Gill Tayler to register your child or arrange a trial session.

Great Cheverell Pre-School and Nursery is a charitable pre-school. Based in the grounds of Holy Trinity School and enjoying close links with the school and community. Reg. Charity No. 1037654 [www.greatcheverellpreschool.co.uk](http://www.greatcheverellpreschool.co.uk)

## BOOKMARK

*Tides of War* by Stella Tillyard was well received, but with slight misgivings over the Napoleonic war coverage, although Brenda and Wendy championed this novel and did not find the plot as complicated to follow as some members had. Beginning in 1812, this novel of combined fact and fiction covered the Duke of Wellington's battles abroad, whilst the heroine was taken under the wing of Kitty Wellington on the home front. Everyone agreed the book was well written and found the references to Rothschild's stocks & shares, early blood transfusion experiments and the birth of gas lighting fascinating. It was deemed a different and interesting read and awarded 8 out of 10.

In contrast, Julie Franck's *The Blind Side of the Heart* was deemed wordy and slow moving, with no quotation marks for speech. It appeared to be 'lost' in the translation from German; which did not do justice to this novel and members found it hard to believe the characters could be so oblivious to the political situation in 20th century Germany. However, Hild, Lynda and Bridget thought it a good, albeit haunting read. This novel, which won the German Book Prize, received a vote of 6 out of 10.

On Wednesday 7th November, our book club will be discussing *The Dove Keepers* by Alice Hoffman and *Disputed Land* by Tim Pears. This will be followed by our social evening with festive buffet – reading childhood favourites or a Ghost Story on Wednesday 5th December. Members will then be given the reading list for 2013.

## THE CHEVERELLS' GARDEN CLUB

'Down on the Farm' in October

Those members who braved the weather on Tuesday 9th October were treated to a fascinating illustrated journey with David Burton which followed the creation of **River Bourne Community Farm**.

The farm is based on 63 acres of land adjoining the River Bourne near the village of Laverstock and its philosophy is that 'Contact with the land and animals is good for the well being of individuals. It gives young people in particular the opportunity to learn about caring and working with others as part of a team. It offers a chance to develop positive attitudes, a strong sense of purpose and feelings of achievement' There was so much enthusiasm for the talk that the club is hoping to arrange a visit to The River Bourne Community Farm for the next club programme.

If you would like to know more, then why not pay a visit to

[www.riverbournecommunityfarm.org.uk](http://www.riverbournecommunityfarm.org.uk) .

*There are some great pictures there and information about future events. Ian won the raffle prize.*

## WEST LAVINGTON TWINNING ASSOCIATION

Unfortunately the Quiz night has had to be postponed until next year. In its place (well..a week later) we are holding a Beaujolais Nouveau event. This will be on Friday 30th November in West Lavington Village Hall at 7.30 p.m.

Tickets, which are on sale now, are £15 for members and £18 for non members and will include a 3 course meal of paté, coq au vin and cheese and a complimentary bottle of Beaujolais Nouveau wine on each table of 4. There will also be a wine bar.

You are encourage to dress in a "French" outfit if you wish.

Our chairman Malcolm Johnson is making a special journey to France to buy the Beaujolais Nouveau soon after its release date of one minute after midnight on the third Thursday of November.

There will be a raffle with a single prize of a hamper filled with French "goodies" which Malcolm will purchase on his visit, and there will be a competition, with a predictable prize, to guess the time it took Malcolm to "race" back to the Wiltshire. Tickets are available from Michael Page on 818510.

A further development is that we shall be holding French language session in the New Year to help members to communicate when they visit France. Details to follow.

To join the West Lavington Twinning Association please email Malcolm Johnson on blocker38@hotmail.com or phone 01380818147.

## WORTON AND CHEVERELL F.C.

### 'The Badgers'

It has been a mixed start to the season for those teams competing in leagues in the area so far, with the opening rounds of Cup matches also starting during November.

At the younger end of the Club, the Under 9s had a recent 2-2 draw against Melksham to notch up their first point of the season after 3 matches, whilst the 2 Under 10 teams have had mixed results in their respective leagues, with the Badgers losing narrowly to Corsham 3-4. However, at U11 level the team have had an excellent start to the season winning all three of their first matches.

At the next level in the Club, the U12 are now in a different league this season, and certainly finding it much tougher with a recent loss against Trowbridge 5-1. Both the U14 and U16 sides are both doing well so far, with a recent away win at Trowbridge 1-5 and an 8-0 win against Mere for the U16s.

At the senior end of the Club, the U17/18 team have had a good start, with a recent 1-3 away win against Marshfield, whilst the Adult team are now fielding two teams in the Trowbridge & District League and the Chippenham leagues.

New members are always welcome to join at any stage during the season, and we suggest you contact the relevant coach (details on the website). However, note:

- U6 & U7 : Saturdays at 9.30 at Worton Primary School (5 Lanes).
- U9s : Sat. 10.00 at West Lavington Village Hall pitches (WLVH)
- U10: Sat : 10.00 at Gt Cheverell pitches
- U11: Thursday 06.00 p.m. at WLVH
- U12: Weds: 06.30 p.m. at either WLVH or Northbrook

## TRINITY CHURCH

Sunday 4th November 10.30 am Rev Chris Cory Holy Communion  
 Sunday 11th November 10.45 am at St Mary's Church Remembrance Service  
 Sunday 18th November 10.30 am Mrs Pauline Tiller  
 Sunday 25th November Rev Chris Cory

Lately at Trinity we seem to have been celebrating. On 8th September the church family got together with the friends and families of Clive and Marilyn to celebrate their marriage. We would all like to thank the people of St Andrews for the loan of their colourful and welcoming church building and for the ladies who catered for the reception afterwards. Clive and Marilyn were blessed with one of the best, sunniest days of the year and the day will be remembered for its joy and friendship for a long time.

At the beginning of October we celebrated the good things that God has given us in a service of Harvest Thanksgiving. Roger Frost from Market Lavington Museum brought a selection of pictures of farming and harvests in the past from the local area. The technology continued to cooperate for Chris's animated presentation of the creation story with sound effects provided by the congregation. It was a joy to have so many people share lunch afterwards: another joy to see a table full of children tucking in to the bread rolls they had shaped for themselves earlier.

Several members of the congregation have their birthdays in October so we celebrate with them all. As another year passes we looked at times and seasons at our United Service.

This term we have some younger members at Tots@Ten and the looks on their faces, as they listen to Chris telling the story are amazing. **Tots@Ten Wednesday 14th November 10 am** at the Community Hall. Fun and Friendly.

If you would like to see this month's film at the Community Hall it will be **The Lady** – The story of Aung San Suu Kyi as she becomes the core of Burma's democracy movement, and her relationship with her husband, writer Michael Aris. November 17th 7.30 p.m. Doors open at 7 p.m Only £5 for a film on your doorstep. Bar also available.

**No Records Available  
for this month**

### **BENEFICE ANNUAL CHRISTMAS QUIZ**

## Social Networking

Are you on Facebook? Do you "Tweet"? Are your everyday experiences shared with the world in 140 character chunks? What about a blog on which you sound forth your opinions or chronicle your life for all to see? We live in a connected world of where social networking is all the rage. But "social networking" is a bit of a misnomer. Some of the stuff that gets posted on line is downright antisocial. People have got themselves into trouble with the law for their malicious Tweets and vile Status Updates. And how many of your Facebook "friends" do you actually know?

Yes, when it comes to social networking many of us are at it in one way or another. It can be a fun way of keeping in touch with family and friends, but like most other aspects of human life cyberspace has its dark side. One of the problems is that Tweets or Status Updates have no 'tone of voice'. You might type something in jest, with a little slice of ironic humour, but your readers can't always see that and so you end up unintentionally upsetting someone.

The Bible makes an amazing statement about Jesus, "And the Word became flesh". In revealing himself to us most fully, God did not send us an email, or a text message, or a Tweet, or a Status Update, or even a book. He became one of us in the person of his Son, Jesus Christ. Jesus entered into the world of human relationships, with all the joy and pain that entails. He took the time to speak with fishermen, tax collectors, religious leaders, distraught mothers, the diseased and the afflicted. He was a true social networker.

With Jesus "friendship" means more than belonging to a list on Facebook. He said, "Greater love has no one than this, than to lay down one's life for his friends." Jesus came to suffer and die on the cross for our sins so that we might have a relationship with God that is real, personal, and eternal. That is why the Word was made flesh.
