

WEST LAVINGTON FRIENDSHIP CLUB

Although we are few in number we manage to keep to two meetings each month.

Sometimes with speakers and musical entertainment, but also with coach trips and last year with three Tea in the Garden afternoons. Unfortunately, because of the weather, two of these had to be inside.

Thanks to the generosity of the Parish Council, we had three very good day trips. However, we were disappointed with the response from the village.

Those of us who joined the outings, never the less, enjoyed three good days out.

THANK YOU to the Parish Council for your help in sponsoring the coaches.
